

REALIFE PHOTOGRAPHY 2014 High School Reunions

Realife Photography offers the finest high school reunion photos in the Tri-City area. We are the only locally owned studio with group risers which allow all classmates to be seen in the photo. Our in-house lab provides for great photos with same-day turn around.

Location fee - No fee for reunions with over 50 prints ordered
- \$100 fee for reunions with under 50 prints ordered

8x10 reunion prints are \$11/ea sales tax included. Prints do not include folders. Folders can be added for an additional \$1.00/each.

Prints will include the school name, year, and reunion year in the school colors printed at the bottom of the prints.

Prints will be delivered approximately 3 hours after they are taken (Tri-City area only).

Our studio requires that the reunion committee must include an 8x10 for each classmate attending. Additional prints may be ordered for committee uses or for those not attending who wish to purchase a photo. Payment is required when prints are delivered.
